

Spectrum SD-RSK

Reliable securing kit for dome cameras

Features

- Designed to DROPS (Dropped Object Prevention Scheme)
- Vibration-ready bolted connection hardware
- Secondary Retention Cable
- Anti-galvanic corrosion prevention gasket set.

Description

Spectrum SD-RSK reliable securing kit for dome cameras is designed to work together with the required wall mounts and optional accessories. The kit allows for the camera to be secured from any mounting failures with its stainless-steel/nylon fall protection lanyard. The SD-RSK is ideal for onshore, offshore, marine, and heavy industrial applications.
